Figure 1 is a diagram showing the relationship between the number of nodes (1 to 5) and the number of edges (0 to 10) for a graph. The diagram consists of a grid of points. The horizontal axis represents the number of edges, and the vertical axis represents the number of nodes. The points are labeled with the number of edges. The points are: (0,1), (1,2), (2,3), (3,4), (4,5), (5,4), (6,3), (7,2), (8,1), (9,0), (10,0).
